

## **Lagging**

After everyone gets on the green and regardless of the number of strokes, the player closest to the hole gets 3 points, the next player closest to the hole gets 2 points, the next player closest to the hole gets 1 point and the player farthest from the hole gets 0 points. The scoring format can be Nassau style, most points front 9, most points back 9 and most points over 18 holes or the most points over 18 holes.

If you end up in a group of 3 players the points are awarded in the same manner (3, 2 and 1) except on par 3's. On those holes the player closest to hole gets 2 points and next closest player gets 1 point and the third player gets 0 points.
