

## What are “RINGERS” and how do they work?

“Ringers” is a contest where you get to *record* the best “gross score” you achieve on all 36 holes at Natanis. The object is to have your ultimate round on both Arrowhead and Tomahawk. The participants that record the lowest gross and net rounds win (3 places each). All NWGA members are eligible to participate in “Ringers”. The fee for “Ringers” is \$5.00 for one course and \$10.00 to do both. The fee can be paid to Charlotte or Marsha. To record a “Ringer” just leave a *signed and dated* scorecard in the Ringer pouch on the ladies’ bulletin board. Charlotte will collect the cards on Saturdays and will post an updated “Ringer” sheet on Sundays.

**Eligible events:** All rounds, played at Natanis, which have been *posted* to the USGA/GHIN handicap system.
